Incident Management & Support SLAs

Overview: How to report IT issues and the expected timeframes for resolution based on our Service Level Agreements (SLAs).

1) **How to Report:** Submit a ticket via the IT Support Portal, email `helpdesk@company.com`, or call the IT hotline for urgent issues.
2) **Priority 1 (Critical):** Company-wide outage or critical system failure (e.g., Email server down, network offline).
    - *Initial Response:* 15 minutes | *Resolution Target:* 2 hours.
3) **Priority 2 (High):** Department-wide issue or VIP user completely blocked from working.
    - *Initial Response:* 1 hour | *Resolution Target:* 4 hours.
4) **Priority 3 (Medium):** Single user facing software errors or hardware issues, but workarounds are available.
    - *Initial Response:* 4 hours | *Resolution Target:* 24 hours.
5) **Priority 4 (Low):** General inquiries, requests for new hardware, or non-urgent access requests.
    - *Initial Response:* 24 hours | *Resolution Target:* 3-5 business days.
